Greetings in the Name of YESHUA (JESUS)

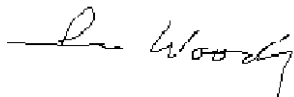

Brothers and Sisters, we would like to invite you to a FREE Teaching/Fellowship discussing the importance of the relationship between the Church, the Jews and the land of Israel. Do you know that we are commanded to pray for the Peace of Jerusalem? (Psalms 122:7). Are we being Doers of the Word Not Hearers Only (James 1:22)?

Mother Dear's Community Center is a Faith Based Organization that provides outreach services to the Washington metropolitan and surrounding areas by providing food, clothing, emergency assistance and other services to the poor, needy, homeless and other constituents. We provide Biblical conferences and teachings because as Believers/Christians, we have been commanded in the scriptures, by YESHUA (JESUS), to "GO INTO ALL THE WORLD AND PREACH THE GOSPEL TO EVERY CREATURE". We here at Mother Dear's Community Center are Doers of the Word not just a Hearer Only and we hope that you are too.

We know that we are getting closer to the MESSIAH'S (CHRIST'S) returning and according to the news reports as we are aware of, there is great unrest in Israel. There have been a recent earth quake, wars and the dividing of the land of Israel (in which the land has been given to the Palestine). Brothers and Sisters in MESSIAH (CHRIST) even though these events in Israel might not seem important and far away from us, we, the Body of MESSIAH (CHRIST), are directly effected by all these tragic events that have occurred in the HOLY LAND. This conference will address the importance of knowing what the Church's relationship is to the Jews and the land of Israel.

Come and join us. For more information about this conference, just turn this letter over and fill out the registration form.

Blessings
